### REMARKS/ARGUMENTS

It is respectfully submitted that the original Notice of Allowance and Fee(s) Due, indicated in PAIR to have been mailed by the USPTO on September 11, 2008, was never received at the correspondence address of record for the application. A search of the file jacket, application contents, and docket report indicates that the Notice of Allowance was not received. A docket report was run on January 15, 2009, the same day the Notice of Abandonment was received, which shows that the Notice of Allowance was not received and docketed, as there is no entry indicating that an issue fee was due at any time. The docket report matches the file, showing that the last known correspondence in the case was the Response to Decision on Appeal filed June 16, 2008 (the due date of June 15, 2008, fell on a Sunday such that the response was timely filed). A copy of this docket/status report is attached hereto. The docketing system is reliable, and if the Notice of Allowance had been received then the record would reflect the due date for payment of the issue fee, along with information including the application number and attorney docket number.

### CONCLUSION

Applicant believes that no fee is required for submission of this petition. However, if a fee is required, the Commissioner is authorized to deduct such fee from the undersigned's Deposit Account No. 20-1430. Please deduct any additional fees from, or credit any overpayment to, the above-noted Deposit Account.

In view of the foregoing, Applicants request that the holding of abandonment be withdrawn and the Notice of Allowance remailed.
